The Christian Corral

On Sunday, September 9th, The Christian Corral will be at Relevant Life presenting "A Deafening Silence".

The Christian Corral is a unique Christian based experience for people to hear, see and feel how God the Father, God the Son, and God the Holy Spirit interact together to help us as humans learn to walk on God's path for us in life. The concept is simple to some and others not so much. When we pray to God we are trying to have a conversation with him. The answers we get or the communication we get back is usually not a loud thunderous voice. It is usually a pressure put on our hearts, soul, or conscience. Horses work or move off of pressure just like people do!!! So we can use the horses to show people how they react when pressure is put on them by the Holy Spirit. It is listening without hearing, feeling without the touch, moving because we know it is what we are supposed to do. "A Deafening Silence"
